GENERAL TIPPING TIPS

- Never ask for change back.
- Be prepared with neatly folded, single bills.
- Don't leave spare change.
- Know the tipping policy and don't be afraid to ask, especially for all-inclusive resorts and Bed and Breakfasts.
- Generally, tipping is not necessary for owners of an establishment.
- These rules apply to United States travel/etiquette.
- Do your homework for foreign travel.
- Never tip to just impress your group. Be genuine.
- If you are unsure of how much to tip, 15% is generally acceptable
- For those who provide year round services (cleaning, hair) tip a total of one session each year
